## OTHER INFO

The Champion of Champion Pairs were played on Saturday 3rd October with the Fours being played on Sunday 4th. It is a great achievement to attain your club title and then go on to represent yourselves and your club! Being well represented as the *Fitzroy flag flew high* throughout the region:

Congratulations are extended to *Ron Gadsby (Sk) and Evan Jones* who played well throughout the day and fought valiantly making it through to the *Semi-Final* where their journey ended.

With a shot at the next round *Robyn Klenner (Sk) and Carolyn Wilks* have successfully secured a place in the *Women's Champ of Champ Pairs FINAL!* Well done Ladies and keep it up, Whoop, whoop.

In similar fashion the *John Kurta* skipped side of *Ron Gadsby, Alan White and Anton Mora* also made the Semi-Final of the Fours falling in the end to the formidable N.P side of Kelly Hill (Sk), Toby Hori, Mario Marinovich and Laurence Hori. *Rhonda Adams (Sk), Vickie Kelly, Norma Rothwell and Faye Hill* seemed every bit unfazed (I am sure this was not the case) as they out played the competition to book themselves into the *FINAL of the Champ of Champ Fours.*

This weekend sees the Singles, Junior Singles and the Triples compete for their respective chances at fame and glory LOL. The FINALS day is Saturday 17th October at Paritutu. Look luck, have fun and good bowling.
